10) Under the Government Order No.SD.5993/O.162-43-7 dated 6/7-3-1944, it is the business of the millowner to take delivery of paddy and to give it in the shape of rice at the calculated "Illuvari" rates. The need therefore for the continuance of the Revenue Inspector after the acquisition work is over is not clear. If it is considered absolutely necessary, we may give a clerk for each ~~x~~ mill for noting the daily issues, "Illuvaries" and despatches against holders. But even one clerk per mill may not have sufficient work at all. We may give a clerk in a group of mills

FROM

Deputy Commissioner, Mysore District,
MYSORE.

To

G. SUNDARA RAO, Esq., B.A.,
Director of ~~Food~~ Civil Supplies in Mysore,
BANGALORE.

SIR,

Continuance of the posts of nine additional Special Revenue Inspectors appointed to the charge of Rice Mills.

With reference to your letter No. H.P.R.1468 dated the 24th April 1945, intimating that the above additional staff should be discontinued, under report to your office, I have the honour to state that large quantities of both Coorg and local paddy have been stocked in the several Rice Mills in this District which are 39 in number. The operations in the several Rice Mills require constant supervision by responsible executive officials of the rank and status of Special Revenue Inspectors. I have personally explained to you the special circumstances under which this additional staff of 9 Special Revenue Inspectors has got to be continued till the end of June 1945; to supervise the milling of paddy, watching the Illuvari of rice and despatch of the same to several deficit places in the State as per quotas prescribed. The work and responsibility of the staff in this direction are very heavy in this District, ~~ex~~ especially in view of the large quantities of both Coorg and local paddy stored in the Mills. During last year, the assistance of the Regular Hobli Revenue Inspectors was availed of on O.O.D. system. But, this procedure could not be continued this year, as it is not conducive to efficient work - either Revenue or Food. I have explained to you personally as to how the entire arrangement and work in the Mills and transport of rice would be seriously dislocated if the additional staff were to be disbanded at this crucial stage and ~~xfx~~ after discussing the matter with me, you were pleased to promise that the porposal would be recommended for sanction. I, therefore, request you kindly to approve of the action taken by me in having continued this staff and obtain sanction for the same till the end of June 1945.

I have the honour to be,
Sir,
Your most obedient servant,

To

Sir,

With reference to your letter No.SD.8007/A.176-44-5 dated 16th/18th June 1945, requesting to be informed as to why a recommendation was made for the entire staff while the Deputy Commissioner of Mysore District had asked for the continuation of only 9 Special Revenue Inspectors, etc., I have the honour to state as follows:-

1. The extra staff consists of 9 peons for the 9 Revenues Inspectors and 4 Clerks who are to work in the purchase depots (mills.) The necessity for continuing the servants to the Revenue Inspectors and the need for continuing purchase depots as such were considered and a recommendation was made for the full establishment's continuance. The Deputy Commissioner's letter also mentioned the need for the continuance of the staff and it was thought that he meant the full staff.

2. Under the circumstances, I request that my recommendations for the continuance of the entire staff including Peons and Clerks may kindly be approved.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.
